 1. Staring at the bottom of your glass
D Hmi
 Hoping one day you will make a dream last.
Emi C D^{sus4}
 The dreams come slow and they go so fast
 You see her when you close your eyes
 Maybe one day you will understand why
 Everything you touch surely dies.

R: But you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you've let her go
Only know you've been high when you're feeling low
Only hate the road when you're missin home
Only know you love her when you've let her go.

R: Staring at the ceiling in the dark
Same ol' empty feeling in your heart.
Love comes slow and it goes so fast
Well you see her when you fall asleep
But to never to touch and never to keep
Because you loved her too much
And you dive too deep.

Emi

R: And you let her go
C D
Ooooo ooooo ooooo.
And you let her go
Oooooooo ooooo ooooo.
And you let her go.
