**C G**  
 R: Well you only need the light when its burning low  
**D Emi**  
 Only miss the sun when its starts to snow  
**C G**  
 Only know you love her when you let her go  
**C G**  
 Only know you've been high when youre feeling low  
**D Emi**  
 Only hate the road when youre missin' home  
**C G D<sup>sus4</sup>**  
 Only know you love her when you've let her go  
 And you let her go.  
**Em C D Bm Em C D<sup>sus4</sup>**

**Emi z C**  
 1. Staring at the bottom of your glass  
**D Hmi**  
 Hoping one day you will make a dream last.  
**Emi C D<sup>sus4</sup>**  
 The dreams come slow and they go so fast  
 You see her when you close your eyes  
 Maybe one day you will understand why  
 Everything you touch surely dies.

**R:** But you only need the light when it's burning low  
 Only miss the sun when it starts to snow  
 Only know you love her when you've let her go  
 Only know you've been high when you're feeling low  
 Only hate the road when you're missin home  
 Only know you love her when you've let her go.

**R:** Staring at the ceiling in the dark  
 Same ol' empty feeling in your heart.  
 Love comes slow and it goes so fast  
 Well you see her when you fall asleep  
 But to never to touch and never to keep  
 Because you loved her too much  
 And you dive too deep.

**Emi**

**R:** And you let her go  
                   **C**          **D**  
 Ooooo ooooo oooooo.  
 And you let her go  
 Ooooooo ooooo ooooo.  
 And you let her go.  
**C D Em C D**

**R:** Cause you only need the **C**light when its burning **G**low  
                                   **D**                                  **Emi**  
 Only miss the sun when it starts to snow  
                                   **C**                                  **G D**  
 Only know you love her when you've let her go.
