Sound Of Silence

Simon & Garfunkel

Capo 5

Ami G

1. Hello darkness my old friend

Ami

I've come to talk with you again

F C

Because a vision softly creeping

F C

Left its seeds while I was sleeping.

And the vision that was planted in my brain

Am:

Ami G Am

Still remains within the sound of silence.

- In restless dreams I walked alone,
 Narrow streets of cobble-stone,
 'neath the halo of a street lamp
 I turned my collar to the cold and damp.
 When my eyes were stabbed by the flash of a neon light
 That spilt the night and touched the sound of silence.
- 3. And in the naked light I saw
 Ten thousand people maybe more.
 People talking without speaking,
 People hearing without listening,
 People writing songs that voices never share,
 And no one dare disturb the sound of silence.
- 4. "Fools!" said I "You do not know Silence like a cancer grows
 Hear my words that I might teach you Take my arms that I might reach you."
 But my words like silent raindrops fell And echoed in the wells of silence.
- 5. And the people bowed and prayed
 To the neon god they made
 And the sign flashed out its warning
 In the words that it was forming and the sign said:
 "The words of the prophets are written on the subway walls
 And tenement halls." and whisper'd in the sound of silence.
